

Gero Wanner

Horse Breeding Activities

As a small boy in his family's farming surroundings he learnt about farming and breeding.

Gero's specialises in management and breeding. Since 1997 he managed the family business - agricultural farming and horse breeding with his own indoor and outdoor training ground.

From 2006 he has been in charge of **the Young Breeders Horse Society** in Germany.

He is also the **Vice-President of the Stuttgart Breeding and Marketing Society**.

Activities as a student

Whilst studying he was an active student rider in Dressage and Jumping for the Agricultural University in Germany, participating nationally and internationally 1990-1995.

Judging Activities

In the 80's he studied horse judging for newcomers and became an official judge for Brood Mares and Foals for the Horse Society in **Baden Wuerttemberg**.

Contacts

He has personal contacts with breeders, studs and societies in **South Germany, Oldenburg, Hanover and Westfalen**.

Horse Breeding

Through his knowledge and expertise Gero successfully breeds horses from the bloodlines of: **Donnerhall, Sandro Hit, Rohdiamant, Weltmeyer, Florestan, Contender, Landor S and Indoctro**.
